From Guidelines to Practice: Implementing the NG28 2026 Update

Online Webinar

Wednesday, 15th July, 07:00 PM - 08:45 PM

Join us for this promotional webinar covering an overview of the latest updates in diabetes management, including the 2026 NG28 clinical categories, updated guidance, and HbA1c targets. The session will also explore the importance of early HbA1c reduction in lowering long-term risk, alongside the evolving role of early SGLT2i therapy in improving patient outcomes.

AGENDA

7.00pm Welcome and Registration - Jim Tullie- HCP Ed-UK Meeting Facilitator

7.10pm Speakers: Meredith Donaldson & Raj Thakkar
